

Import & Transit Corridors from Kazakhstan

Southbound to Central Asia

Uzbekistan: Rail/road via Saryagash to Tashkent–Samarkand–Termez. High-frequency corridors for food cargo and consumer goods.

Afghanistan: Rail/road via Hairatan to Mazar-e-Sharif and onward to Kabul. Efficient for bagged flour, grain, oil, and feed.

Kyrgyzstan: Road via Kordai/Ak-Zhol (Almaty–Bishkek). Fast LTL/FTL moves and crossdock options.

Tajikistan: Transit through Uzbekistan to Dushanbe/Khujand. Recommend pre-clearance and sealed transit.

Docs & Handling: CIM/CMR, certificate of origin, product COA/quality passport. Temperature- and moisture-aware loading for flour and bran.

International Port Corridors

Trans-Caspian Middle Corridor (TITR): Rail to Aktau/Kuryk → Caspian ferry to Baku-Alat → Rail to Poti/Batumi (Black Sea). Ocean legs to Med/EU or rail via BTK to Türkiye.

China Gateways: Rail via Dostyk/Alashankou and Khorgos/Altynkol to major Chinese ports (e.g., Lianyungang, Qingdao, Ningbo). Works for containers and block trains.

Türkiye & Med Ports: Rail via Georgia to Kars (BTK), then road to Mersin, Izmir, and other Med terminals.

Russia Corridors (on request): Service subject to route availability and compliance screening.
